

# INCOME TAX SLOGANS PAYERS TO REMEMBER

(The Associated Press)  
WASHINGTON, Feb. 26.—Slogans coined by the internal revenue bureau to stimulate early and full payment of income taxes reflect the changed conditions in which the taxpayer finds himself now that victory has been won and hostilities have ceased. The powers of autocracy have been defeated but the monetary cost of victory is still to be met, largely by the taxes to be paid this year.

"Army of occupation" sounds good but it needs your support, says one of the slogans. Then it asks, "Have you paid your income tax?"

Another classes an income tax payer with a gold service stripe.

Those who celebrated victory most loudly are reminded that "tooting a horn on armistice day did not and was part in winning a peace with honor. Paying your income tax makes more real noise than tooting a horn."

"If you think your income tax is

a hardship, picture what you would have been up against had William Hohenzollern won the empire.

Other slogans include:

"You stand up for the national anthem. Now stand up and pay your income tax."

"There were no delinquents at Chateau Thierry. Are you delaying the payment of your income tax?"

"Don't try to fool your conscience by cheating the returning soldiers and forgetting to pay your income tax. An income tax evader hasn't

much on any of the other pro-Germans."

"If you didn't serve over there you can serve over here by paying your income tax."

"When the boys come home they will ask what you have done. Show them your income tax receipt."

"When you pay your income tax you get a receipt from Uncle Sam. What would William Hohenzollern have handed you?"

"Uncle Sam still has a big job ahead of him. Help him by paying your income tax now."

### REPRODUCING DEATH SCENE AT A TRIAL

(The Associated Press)  
LAREDO, Tex., Feb. 26.—American business men have been preparing for a boom in Mexican business since regulations governing exportation of food and general supplies to Mexico have been modified. Representatives of scores of nationally known concerns have passed through this border city recently to arrange for establishing branch houses or distributing warehouses in Mexico.

Business interests here believe that within the next three months the special export restrictions will be removed and goods will pass into Mexico as freely as before the Mexican disturbances began. Recent modifications have been so extensive that the embargoes now cover only a few commodities.

## DUBLIN POLICE JOIN THE UNION

(The Associated Press)  
DUBLIN, Feb. 26.—Six hundred men of the Dublin metropolitan police force have joined the British National Union of Police and Prison Officials. The force altogether numbers about 1200. Following the London police strike they obtained recently various concessions. Though equally under the control of the government, the Dublin police are less like a military force than the Royal Irish Constabulary on which the maintenance of public order throughout the country depends and the constabulary are so far unaffected by trade unionism.
